WHATS NEW:

200 SERIES LANDCRUISER – SAFARI SNORKEL RELEASE

Safari is pleased to announce the release of the SS89HPR as a replacement snorkel for the factory fitted air intake in the 200 series Landcruiser.

"The new Armax design is the start of a new generation of raised air intakes from Safari 4x4 engineering."

These snorkels are designed to optimize airflow whilst remaining water tight, allowing you to increase your engine performance with all necessary airflow.

PRICING - \$627 with free shipping.
